

PEWSEY HERITAGE CENTRE

Volunteer Trustees Required

Pewsey Heritage Centre Trust was restructured in 2010 as a Charitable Company limited by guarantee. This has enabled the Centre to be administered by a Board of Trustees, all volunteers, without risk to their personal finances. That is a significant factor as we move forward and seek to make new appointments to build on the hugely successful development that has taken place in recent years.

We are looking to fill vacancies for Trustees and, in particular, to widen our expertise base by looking for volunteers with Finance, IT and Legal knowledge. However, we would be very keen to speak to anyone who feels that they have appropriate skills and a willingness to serve on the Board. Also, it is important and a very urgent requirement that we seek volunteers for the roles of Company Secretary; Centre Manager; and Chief Steward. To date, most of that work has been taken on by the one person. However, with their imminent resignation for family reasons we need to act swiftly to fill those vacancies. The duties of the post have grown over the last few years and it is the intention of the Trustees to try and spread the workload over two or three appointments.

If you feel that you would like to join our friendly team in any capacity and want to discuss in more detail the responsibilities and the roles of the Company's key positions, please contact Chairman, **Paul Cowan on 07855 361600**. We can then arrange an informal discussion.
